## PORTFOLIOS

### **KEENPRESS** 6

For Keenpress it's a question of perspective: Shooting from unusual angles, the photography duo transforms the world into a game of optical hide and seek

### **WERNER MANSHOLT** 52

Ready for the island? Werner Mansholt took his M6 to Zanzibar and returned with photographs showing the rough conditions of the working fishermen, and the stunning beauty of the beaches

## TECH TALK

### **ACCESSORIES AT A GLANCE** 22

LFI looked at the current accessories market and discovered some fascinating and useful gadgets for the photography enthusiast – from ball heads to leather cases

### **HARALD BENZ** 40

Sinister photo poetry of city life. This German-Canadian photographer loves to bend the sliders in Lightroom and Photoshop, enhancing his DNG information with surrealistic colour impressions

### **PAOLO POTESTÀ** 46

The Leica M is a polite camera, says this Italian photographer. Perfect for people encounters and happening fiestas, like Semana Santa
