

## CONTENT

### PORTFOLIOS

#### **CONSTANTINE MANOS** 12

The Magnum photographer catches unique images of daily life in the USA in a portfolio that is both enigmatic and irritating. His color pictures convey surprising impressions of a society less familiar than we imagined.

#### **TILL BRÖNNER** 70

Musicians, colleagues and friends: Jazz trumpet player, Till Brönner, photographed them just before going on stage, during rehearsals and behind the scenes. Timeless portraits in black&white.

### TECH TALK

#### **LEICA M9 TITANIUM** 28

Car designer Walter de'Silva has given the Leica M9 a fascinating makeover. LFI introduces the special limited Titanium edition and its creator.

#### **NEW: D-LUX 5** 36

With slightly, but decisively enhanced zoom range and further improved image quality, the compact camera's good reputation is reinforced.

#### **NEW: V-LUX 2** 44

A 24x Vario lens and full HD filming capacity, transform this new compact camera into a multi-faceted marvel.

#### **S SYSTEM** 52

An interview with S system product manager, Stephan Schulz, where he talks about present and future news and highlights.

#### **H. G. ESCH: SALZBURG 360 DEGREES** 56

The architecture photographer used a Leica S2 to capture an appealing panorama of the baroque city on the Salzach.

#### **IMAGE CREATION** 62

The composition workshop with Torsten Andreas Hoffmann. Part 2: The Golden Section and elementary framework.
