## PORTFOLIOS

### ANDRÉ LÜTZEN 8

Cold neon lamps, colourful street lights, and warm sunsets: André Lützen was particularly tantalized by Hanoi's evening and night light. His alluring series includes images both surreal and cinematic.

### BEAT PRESSER 52

Dhows are built with robust mangrove wood, plenty of time, and a good sense of proportion. Swiss photographer Beat Presser dedicates a reportage to a rich legacy of sailing tradition.

## TECH TALK

### LEICA STRATEGY 24

If Leica is taking the feed-back at photokina as a confirmation of its product strategy, what does it mean for R lens fans, and what could it mean for the future world of Leica systems? We take a look at where things stand right now, and speculate on where they might be heading.

### LEITZ PROTOTYPES 40

From the 0 series all the way to the half-format Leicaflex: a picture book reunites important museum pieces from the former Leica collection of Surat Osathanugrah, for one last time.

### D-LUX 5 44

LiveView at eye level – more comfortable composition and classic photographing with the EVF1 electronic attachable viewfinder.

### IMAGE CREATION 46

Part 4 of the workshop series with Torsten Andreas Hoffmann: a considered approach to the centre of the picture.
