MOISES SAMAN 10

The Magnum photographer spent time in Libya in March and April, 2011. The longer he was there, the stronger the impulse to “look past the lies”. An interview.

JOACHIM HILDEBRAND 54

In Hong Kong, where tall apartment blocks are produced en masse, there is virtually no space for individuality. Joachim Hildebrand photographed these living machines with detailed, graphic precision.

TECH TALK

HOW LEICA LENSES COME ABOUT 28

Why are Leica lenses so expensive? And how come production can not always keep up with the demand? We investigate the logic behind the Leica production modes.

MOBILITY 38

The Sun-Sniper and BlackRapid camera straps promise maximum speed, security and mobility. We put them to the test.

LEICA COMPENDIUM 44

Economic and cultural history, manufacturing organisation, precision mechanics, optics design, an encyclopedia of all Leica lenses: Erwin Puts's new book covers a very broad range of material.

IMAGE CREATION 48

Part 7 in the workshop series with Torsten Andreas Hoffmann: the visual power of reduction.
