IMPRINT

Cover photo: from Magdalena Solé's 'Mississippi Delta' series (page 12)

Capturing the magic moment before it disappears again into the mundane – photographer Herbie Yamaguchi explores London and Japan (page 26)

8 | Increased Awareness

Collector, gallery owner and salesman, Peter Coeln, is central to the Austrian photo scene. We talk about his way to Leica, Viennese solutions and future plans.

12 | Blues in the Delta

The downfall of the once flourishing region can be seen everywhere. Even so, the Mississippi Delta is rich – rich in warmth, hospitality and traditions.

26 | Hikari

People at the forefront: photographer Herbie Yamaguchi captures images that reflect their dignity and beauty – whether in London or in his homeland of Japan.

40 | Project Cocktail

Brett Prestidge: Iceland – the fascinating volcanic island, Oliver Rùthers: Sparkling photos (page 46), Bjørn Wad: A new way of looking at age (page 50).

52 | Outdoors

Jonas Bendiksen and Marcus Felix Hofschulz out and about with the S system: the handling, robustness and quick, intuitive navigation of the Leica S are impressive.

72 | Martine Franck

Thanks to the camera, the photographer with a clear eye for humanitarian problems and everyday life situations, found her own way to face life and the world.
