

04 EDITORIAL

PHOTO SCENE

The Lucie Awards celebrate their ten-year jubilee

06 BOOKS

New photo books by Michael Somoroff, Phillip Toledano, Jessica Backhaus, as well as the 'AM Projects' book box

08 TALKING WITH

Ostkreuz Agency photographer Ute Mahler about collective projects and reality in pictures

84 CLASSICS

Gianni Berengo Gardin has influenced Italian photojournalism like no other

88 EXHIBITIONS

The Jazz Loft Project rediscovers vintage photos of jazz legends taken by W. Eugene Smith

92 READERS' GALLERY

Curious, concentrated, coquettish – what expressions LFI readers see in the eyes of others

94 MY PICTURE

Magnum photographer Thomas Hoepker speaks about his close encounter with Muhammed Ali's fist

IMPRINT

Cover photo: from the Venezuela reportage by Oscar B. Castillo (p. 12)

A road movie consisting of individual shots: Szymon Szcześniak explores the edge of civilization in California's Death Valley (page 26)

12 | The Future is now

President for the fourth time: Oscar B. Castillo and Boris Muñoz were there during Hugo Chávez's electoral campaign – impressions of Caracas, the Venezuelan capital.

26 | Into the Wild

Travelling through Death Valley, Polish photographer Szymon Szcześniak encountered a variety of recluses and drop-outs.

40 | Projects

Cotton Coulson bonded with the M Monchrom just like he did with his first Leica, an M3; Jenny & Lee take the S2 into the lively world of London's Ridley Road.

48 | Music Photography

The spirit of a musical era: 40 years ago, Jim Marshall accompanied The Rolling Stones on their legendary North American tour.

72 | Lenses in Focus

The Summicron-M 28 mm f/2 Asph is the evergreen of the M family. Its high speed makes it universally applicable – the perfect tool for Marco del Pra'.

76 | Child Goddesses

Living in a golden cage: In Nepal, young girls are chosen to become Kumaris, to be worshipped as incarnations of a mother goddess. A reportage by Uwe Dürigen.

LEICA WORLD

56 THE M MONOCHROM'S LITTLE QUIRKS

What you need to keep in mind to take the best pictures with Leica's black & white camera

61 THE M MONOCHROM'S DYNAMIC RANGE

The particularities of the M Monochrom's dynamic range

64 M SENSOR

How the Max sensor and Maestro processor came about – the leading brains behind the development share their perspectives in an interview with LFI

68 NEWS

Calendars and more to celebrate the New Year; Leica's new digiscoping adapters; a clever camera strap made out of a recycled seat belt

The M Monochrom: a real M – but with its own rules
