

Leica Camera and LFI present

CLASSIC CARS PHOTO CONTEST

Win the Race!

Leica Camera and LFI are launching the "Classic Cars Photo Contest". Send us your best Classic Car picture and win a new Leica camera model, which will soon be on the market.

COMPETITION TERMS AND CONDITIONS:

The competition is not restricted to any specific brand or type of camera. Out of all submissions, the best twenty images will be chosen. As a result, twenty prizes will be awarded in total.

The submitted photographs can be in colour or black-and-white, portrait or landscape format. Please note that only one image per participant will be accepted.

To take part in the competition, you must register as a member of the LFI Gallery. If you are already registered, you are able to use your existing account.

Images must be submitted in JPEG format, with 800 to 1500 pixels on the longest side. The size of the file must not exceed 3 MB.

You are the sole author of the submitted photograph. Should you act as a representative, or submit a photograph on behalf of another photographer, you confirm that you are authorised to accept the conditions of participation on his or her behalf. You also confirm that the photographer has accepted the conditions of the competition.

You are the sole copyright holder of the submitted photograph. Alternatively, you have been authorised by the copyright owner to submit his or her image.

The submitted work is a photograph, it is not a photo montage.

The submitted photograph is exempt of any third-party exclusivity rights.

All matters relating to the privacy rights of any per-

son(s) featured in the submitted photograph have been resolved by the photographer prior to submission.

You accept that your submitted work will be displayed on the LFI Gallery website. While you retain full copyright of your submitted work, you agree for it to be published in connection with this competition as well as on the LFI website, the Leica Camera website and as part of our social media activities.

In addition, the participant grants Leica Camera AG and LFI Photographie GmbH the right to present individual photographs at exhibitions around the world, provided this is done within the context of the competition. In this case, we would contact you to request a high-resolution version of the image.

The jury's decision is final. No legal recourse is permitted.

Submissions close on 18 June 2015 at 24.00 (CET). After this time, LFI and Leica Camera AG will evaluate the submitted works. The winners will be announced on 6 July 2015.

The first-prize winner stands to receive a Leica camera. Details of the camera will be released on 10 June 2015. The winners of the 2nd to 10th prize will each receive an annual subscription to LFI. Winners of the 11th to 20th prize each receive the second edition of the Leica M Magazine.

Should you have any questions regarding the terms and conditions of participation, or the process of uploading your image, please contact contest@lfi-online.de
