96 READERS' GALLERY

LFI readers see red: picture compositions with the colour of warning

98 MY PICTURE

Alan Chin's portrait of two Taliban fighters after the fall of Kabul

IMPRINT

A new family member: the Leica SL with CMOS full format sensor

When exhaustion replaces glamour: Stefano Guindani catches a glimpse behind the scenes at Milan Fashion Week

14 | Shades of Grain

Fred Mortagne demonstrates the new Leica SL's sporting abilities with wonderful skateboarding compositions taken in Los Angeles.

30 | Nowhere in Berlin

Photographer Guy Tillim's most recent work no longer places the motif at the forefront – he now prefers to approach it with indifference.

42 | Apparent Beauty

When the masks fall: Stefano Guindani tried out the new Leica SL at Milan Fashion Week.

68 | Zero Line

Over twenty times longer than the Berlin Wall, yet virtually unknown: Gaël Turine documented the fortified border between India and Bangladesh.

82 | Bonfire Night

Sébastien Pipo got caught up in the colourful hustle and bustle of Bonfire Night in Belfast.

88 | Passion and Empathy

Claire Yaffa, renowned proponent of 'concerned photography' and engaged chronicler of her times – a homage to commemorate her eightieth birthday.
