

**04 EDITORIAL
PHOTO SCENE**

A shower of prizes: Valérie Belin wins the Prix Pictet, Christophe Gin the Prix Carmignac

06 LFI WORKSHOPS

From Ragnar Axelsson to Jacob Aue Sobol – LFI workshops for the coming year

08 BOOKS

Books by Hellen van Meene, Siebrand Rehberg, Volker Hinz and a look at the Magnum archives

10 TALKING WITH

Gallery manager Bene Taschen talks about lucky circumstances and the advantages of Cologne

88 EXHIBITIONS

The Smithsonian Art Museum presents *Beyond Beauty*, a retrospective celebrating the legacy of Irving Penn

96 READERS' GALLERY

LFI readers focus on bird cages

98 MY PICTURE

An impression of downtown Leipzig in 1974 captured by Evelyn Richter

IMPRINT

Cover: a picture by Frédéric Stucin for *Les Châteaux de Sable*

David Pitzer portrayed David Douglas Duncan in October 2015, at his home in Castellaras in France, sitting with his dog Duzi (page 26)

14 | Cinéma vérité

In search of a time lost in the past: Frédéric Stucin's poignant pictures taken for a film project.

26 | Sign of the Times

What is a person without a face? Susan Barnett's expressive perspectives – photographed from behind.

38 | One Life

The photo-journalist of the century: David Douglas Duncan will be one hundred years old in January.

62 | Twilight

The call of the ancestors: the people of Tusheti in north-eastern Georgia still preserve age-old traditions.

76 | Ten Disciples

Cancer patients look for healing in Tamagawa Valley – soulfully beautiful pictures by Tsutomu Yamagata.

84 | Freedom and Adventure

His Marlboro Man is known around the world, but Dieter Blum's oeuvre has many other facets as well.

92 | Family Stories

While on maternity leave, Kata Sedlak came up with the idea of documenting the daily lives of her children.

LEICA WORLD

46 LEICA M (TYP 262)

The M's little sister is considered a pure classic: with CMOS sensor, but without video, EVF or Live View

48 LEICA SL AND VIDEO

As a video solution, the Leica SL (Typ 601) has the potential to be able to compete with more expensive, dedicated video cameras

54 LEICA HISTORY

The last of its kind: in 1957 Leitz brought one final screw-mount Leica – the IIIg – onto the market

58 LEICA NEWS

New lenses and a firmware update for the compact T, a special photo app, a Bluetooth smart tag, a camera backpack and viewfinder magnifiers for the M

The Leica M (Typ 262): classic purity, but with CMOS sensor
