8 TALKING WITH

Between photography and society: Lorenza Baretta, Director of Camera in Turin

88 EXHIBITIONS

Strange and Familiar: international photographers offer a glimpse of Great Britain from an outsider's perspective

96 READERS' GALLERY

Unusual and surprising angles – when LFI readers put the focus on frames

98 MY PICTURE

British photographer Matthew Finn talks about shadows, shapes and family albums

IMPRINT

Ragnar Axelsson: happy reunion in the far north

Expressions of disbelief in Rigonce, Slovenia: Ciril Jazbec documents encounters and irritations between locals and refugees (as of page 72)

12 | Light Painting

Beautifully surreal: Nomi Baumgartl and Sven Nieder use atmospheric lighting to capture the beauty of the Arctic.

22 | Icebreaker

Ragnar Axelsson has been photographing the lifestyle of the Inuit of Greenland for over 30 years.

36 | Symptoms of Trauma

A train accident and its consequences in a Canadian village: Michel Huneault takes an insightful look.

44 | The Eye of Istanbul

The city as faithful motif and life's work: Ara Güler has spent sixty years documenting Istanbul – a homage.

72 | On the Border

Travelling through: Ciril Jazbec documents the passage of refugees through a Slovenian village.

84 | Photographic Scores

Guy Le Querrec's photographic career has always been driven by an eye defined by jazz.

92 | City Stories

Moving quickly through the city: Marie Laigneau and her attempt to capture fugacity.
