The next workshops will be run by Craig Semetko, Daniel Etter and Tomas van Houtryve

86 EXHIBITIONS

Both well-known and unseen-to-date: photographs by William Eggleston at the National Portrait Gallery in London

96 READERS' GALLERY

Beaches, sports and wild animals: discoveries made by LFI readers while enjoying the sun

98 MY PICTURE

A woman with a tattoo on her back – André Lützen tells the story

IMPRINT

Matt Stuart: from his new photo book, *All that life can afford*

Idyllic, picture-book Africa – but appearances can be deceptive: these rangers are protecting elephants from poachers (starting page 76)

10 | Talking With

Levelling the playing field: Manuel Rivera-Ortiz promotes film makers and photographers from emerging countries.

16 | Distilled Perfection

Happy Birthday, Mr. Gundlach! The grand master of fashion photography and important collector turns 90.

26 | London Street Life

Human, all too human: Matt Stuart's curious street photography in the British capital.

38 | Hostile Coexistence

Violence and aesthetics: Lorenzo Tugnoli speaks about his pictures from the Gaza Strip and the West Bank.

52 | In Full Bloom

"I love to compose things". Equipped with the Leica S006, Rui Faria produced a minimalistic fashion spread.

76 | Giants in Trouble

Alvaro Ybarra Zavala accompanied Wild Life Foundation rangers through the Kenyan savannah.

90 | Before and After

Fists, adrenalin and heavy punches: boxer portraits by Tomek Lendo, before and after the fights.

LEICA WORLD

62 LEICA M-D

A digital camera without a display? A slip-up at quality control or an April Fool's joke? Neither: the new Leica M-D is a homage to the essence of photography

66 NOISE REDUCTION

Photon noise in digital photography is unavoidable: Leica has opted for a strategy that reduces noise, regardless of the ISO setting selected

70 APPLE VS HUAWEI

Huawei has developed the camera for its P9 smartphone together with Leica. Does the 'Dual Lens Camera' take better shots than the latest iPhone?

74 LEICA NEWS

Full steam ahead for the Leitz Park III: Leica museum, new production facilities, a hotel and more

A digital camera, but without a display: the new Leica M-D
