

PORTFOLIO

F/STOP

76 | NOCTILUX 50MM

How does the high-speed lens fare on the M10 and, with the help of the M adapter L, on the SL? We asked photographer Jürgen Holzenleuchter to try out the lens on both cameras

82 | M COLOURS

The colour reproduction set by a camera manufacturer can easily be adapted to one's own preferences and desires

88 | P10 PLUS

A Dual Camera with Summilux-H lenses, image stabilisation and a high-resolution display: the latest Huawei model from the collaboration with Leica

90 | CINELENSES

With the M 0.8 and the Thalia lenses, Leica's sister company, CW Sonderoptic presents two further series for using on set

The Noctilux-M 50mm f/0.95 Asph: still good for a surprise

Jesse Marlow: from the *Don't Just Tell Them, Show Them* series

Corentin Fohlen
