F/STOP

80 | LEICA TL2

The Leica TL2 is produced in silver and in black. The 24 megapixel sensor with sensitivity up to 50 000 ISO, the faster auto-focus and the focus peaking are among the most important improvements

84 | BLACK AND WHITE

High resolution and the finest tone value differentiations: how differently and with what advantages do the M10 and the M Monochrom perform for black and white photography. We offer a practical report

92 | SL FIRMWARE 3

The Leica SL firmware-update 3.0 gives users faster storage of DNGs and an optimised, even faster auto-focus
