

PORTFOLIO

F/STOP

86 | "DRIFTER" SET

Sepia brown paint and faux python leather: The "Drifter" set created by Lenny Kravitz combines the technical specifications of the Leica M Monochrom with an unusually extravagant design

94 | CL "BAUHAUS"

No-frills aesthetics in silver and black: The special-edition Leica CL marks the centenary of the Bauhaus movement, and pays tribute to a shared ethos

98 | Q2 & BLUETOOTH

What are the benefits of dual connectivity? The Leica Q2 enables wireless data transfer both via Wi-Fi and Bluetooth LE

Dangerously beautiful: Lenny Kravitz's "Drifter" with synthetic, faux python-skin trim

Nicoló Lanfranchi: from his project about the Macuxi

Xiomara Bender

8 | THE POWER OF DREAMS

Formation, community and perfect performance: How the Democratic People's Republic of Korea celebrates its 70th birthday

Nicoló Lanfranchi

22 | MACUXI STRUGGLES

They are proud and they are many: in northern Brazil the indigenous Macuxi people fight against assaults on their land

Robin Maddock

38 | WHITE, WHITE AND AWAY

What do a ping-pong ball, spilled milk and white paper have in common? A photo essay on the fugacity of the moment

José Luis Carrillo

48 | SMOKE AND SHADOWS

Welcome to the fairytale world of Cannabis Social Clubs: a rather surreal series about people and their love of weed

Lenny Kravitz

58 | DRIFTER

Portraits and street scenes, staged and situational: exciting glimpses into the life of the musician, designer and photographer

LIGHTBOX

102 | LFI.GALLERY

More than 25000 photographers present over half a million images in the LFI Gallery. In this issue: a rainy night, a star with legs, and a headless pedestrian

PHOTO

112 | BOOKS

New publications by Alec Soth, Evelyn Hofer and Guy Tillim; and, on the occasion of the 100 year jubilee of its founding, the photo book *Bauhausmädels*

114 | EXHIBITIONS

Anthony Hernandez, Kansas City; Alex Prager, Amsterdam; *Seaside Photographed* in Kent; *The Body Observed*, Norwich; and Erwin Olaf, Paris

116 | LEICA GALLERIES

The programme of Leica Galleries around the world, including Yashuhisa Ishii in Tokyo, Anatol Kotte in Constance and Ralph Gibson in London

118 | INTERVIEW

Photographer Sirkka-Liisa Konttinen, co-founder of the film and photo collective Amber, speaks about their archives as the source of inspiration

122 | MY PICTURE

Whoever believes that selfies are a phenomenon of the 21st century will learn differently from Jean Pigozzi

122 | IMPRINT

COVER: Lenny Kravitz, photographed by Mark Seliger
