

PORTFOLIO

F/STOP

78 | Q2 MONOCHROM

The new Leica Q2 Monochrom is a dream come true for black and white enthusiasts. An experience report on an extraordinary camera

86 | SL VARIO 24-70

The new Leica Vario-Elmarit-SL 24-70 f/2.8 Asph makes the SL system accessible to newcomers – and impresses photographers across the board

90 | FINE-ART-PRINTS

In the third instalment of our series on fine art papers and printing, we present an overview of Japanese washi papers and their special attributes

The Q2 Monochrom recaptures the magic of black and white photography

Aleksey Myakishev, from his *Russian North* series

Alberto Venzago

6 | PICTURE MAKER

Over five decades, Venzago has explored all forms of photography – from art to commercial. We present a selection of his comprehensive oeuvre

Erika Astrid

26 | WILD AT HEART

The multi-talented photographer works intuitively and at high speed. In New York and Los Angeles she gave free rein to her ideas

Stefano Schirato

36 | BURNING LAND

Schirato has documented the frightening side effects of the intense raw materials extraction in the East India mining region of Jharia

Aleksey Myakishev

52 | RUSSIAN NORTH

The Russian photographer captures for eternity unrepeatable moments during his trips through villages in northern Russia

Frank Horvat

66 | SIDE WALK

On the streets of New York – Frank Horvat passed away in 2020. The final photo book he was involved in is a real treasure trove

LIGHTBOX

94 | LFI.GALLERY

Over 30 000 photographers present more than 700 000 images at the LFI Gallery. In this issue: a break on the beach, twilight sweetness, and a murder of crows in Worli Koliwada

PHOTO
