Firmware update 2.0: new capabilities for the Leica SL2-S

Heiko Hellwig, from his *Grand Ballet* series

Alfredo Cunha

6 | COURAGE

He was brought up with photography from a young age, but first had to discover his own way of approaching it: the starting point for a fifty-year career

Cédric Roux

28 | MARSEILLE REBELLE

A visually powerful photographic declaration of love for the southern French port, which beats with a pulse that is very much its own

Eolo Perfido

40 | GLANCES

Eolo Perfido loves to portray actors. The Italian photographer is amazed by their ability to transform themselves

Sarah Caron

54 | THE LAST MOHANA

The Mohana of Pakistan are traditionally at home on the water; yet many members of this ethnic group are forced to give up their way of life

Heiko Hellwig

66 | GRAND BALLET

In these beautifully staged images it really does look as though the Siamese fighting fish were dancing to a complex choreography

LIGHTBOX

94 | LFI.GALLERY

Over 30 000 photographers present more than 700 000 images at the LFI.Gallery. In this issue: very special moments and people that catch the eye
