F/STOP

84 | Q2 "007 EDITION"

A few weeks before the 25th James Bond film finally hits cinemas, Leica reveals the Q2 "007 Edition" – a comprehensive set in Ocean Green with a flight case by Globe-Trotter

90 | LEITZ PHONE 1

Leica's first own-brand smartphone has been released on the Japanese market – with an array of AI features for advanced computational imaging, and an unusually large, 1-inch sensor

96 | LEICA L-MOUNT

Since 2018 the three companies of the L-Mount Alliance – Leica, Panasonic and Sigma – have built a cross-brand lens portfolio that covers almost all areas of photographic applications

Leica Q2 "007 Edition": an elegant design with subtle James Bond references

From the series *Village People* by Jindřich Štreit

Jesse Marlow

8 | ANYTHING CAN HAPPEN AND PROBABLY WILL

Chance and hard work are at the core of Marlow's work because, as he likes to say, you can not rush or force street photography

Jindřich Štreit

24 | VILLAGE PEOPLE

During the era of communist dictatorship, Štreit still produced an authentic chronicle of everyday life in the rural areas of the Czech Socialist Republic

Emily Garthwaite

38 | GUARDIANS OF THE ZAGROS

Around 40 000 Bachtari in Iran still live according to nomadic traditions. The photographer followed a family on "kooch", the search for greener pastures

Kathrin Linkersdorff

54 | FAIRIES

With her poetic still lifes of flowers, Kathrin Linkersdorff walks the narrow path between existence and transience

No Time to Die

66 | THE 25TH JAMES BOND

On set with their Leicas: Producer Michael G. Wilson, lead actor Daniel Craig, and photographers Nicola Dove and Greg Williams

LIGHTBOX

100 | LFI.GALLERY
