

# PORTFOLIO

## F/STOP

### 84 | LEICA D-LUX 7 "VANS X RAY BARBEE"

With the new special edition of the D-Lux 7, Leica combines the philosophy of street photography with the style and spirit of the skateboarding scene

### 88 | CAPTURE ONE

The latest version of the pro-level software for Raw image processing, editing and organization is aimed at photographers who have to manage vast data volumes

### 92 | LAURENT-PERRIER

A shared affinity for European values and traditional craftsmanship has inspired a collaboration between Laurent-Perrier and Leica Camera AG

Capturing the skateboarding lifestyle: the D-Lux 7 in Vans' checkerboard look

Grigoriy Yaroshenko: from his *The Iron Road* series

## David Seymour

8 | LEICA CLASSIC

War reporter, celebrity photographer, and a founding member of the Magnum Photos Agency: the many sides of David 'Chimp' Seymour

## Graciela Magnoni

24 | HOMELAND AND IDENTITY

Between India and Pakistan: the commonalities between the people on both sides of the border that divides the Punjab region

## Véronique de Viguerie

40 | BACK!

The photographer was in Afghanistan this past summer. As a western woman it was surprising how freely she could move around with her camera

## Grigoriy Yaroshenko

54 | THE IRON ROAD

For his long-term project, the photographer dedicated two whole years to the Russian railway system, and the people whose lives it impacts

## Elena Chernyshova

68 | BAIKAL

A crumbling idyll by a superlative body of water: Chernyshova went on an anthropological search around the oldest freshwater lake in the world

## LIGHTBOX

### 100 | LFI.GALLERY

Over 30 000 photographers presents more than 700 000 pictures in the LFI Gallery. In this issue: the wrapped Arc de Triomphe, among others

## PHOTO
