

Leica and LFI present

ME & MY LEICA X PHOTO CONTEST

Tell us your story with the Leica X – and win an invitation for two to the exclusive events surrounding the inauguration of the Leitz Park in Wetzlar! In addition you will be granted a feature with interview and photos in the Leica Blog.

COMPETITION TERMS AND CONDITIONS:

The competition pictures must be taken with one of the following cameras: the Leica X Vario, X1 or X2. Two times ten prize winners will be chosen from among all the submissions – ten for the X Vario and ten for the X Prime (= X1 or X2). In other words, a total of 20 prizes will be granted.

Pictures can be in colour or black and white, upright or landscape format. We look forward to receiving series, but you can also submit one or various single images. The maximum permitted for each participant is ten pictures. The best series or best single pictures will be evaluated.

To take part in the competition, you must start by registering at the LFI Gallery. If you are already registered, you can use your existing account.

Please make sure when saving your pictures that the Exif data is preserved, so that the jury can verify the camera type. If you change the picture size and save it again, do not use the “save for web” option, as the Exif data will then be deleted.

The picture must have a dimension of 800 to 1000 pixels on the long side.

You have taken the submitted picture yourself. If you are submitting the picture on behalf of or representing a photographer, you are authorized to accept the conditions of participation on his or her behalf. At the same time you confirm that the photographer accepts the conditions.

You alone hold the copyright for the submitted work, or you have been authorized by the owner of the copyright to submit it.

The submitted work is a photograph, it is not a photo montage.

The picture is exempt of any third party exclusivity rights.

The personal rights of any person photographed have been clarified with the photographer.

You accept that your submitted works will be exhibited on the LFI Gallery. You retain the copyright of the pictures, while at the same time allowing them to be shown in connection with the competition, on the LFI website, as well as on the Leica Camera website and through their social media activities.

In addition, the participant grants Leica Camera AG and LFI Photographie GmbH the right to present individual pictures at exhibitions around the world, as long as this is done within the context of the competition. The high resolution data in each case would be requested.

Legal recourse is out of the question.

The competition deadline is midnight, February 28, 2014. After that, LFI and Leica Camera AG will carry out the evaluation, and the winners will be announced on March 18, 2014.

The two first place winners will receive an invitation to the inauguration of the Leitz Park in Wetzlar, including travel costs and accommodation. In addition, they will be published with an interview and pictures in the Leica Blog. The two second prize winners will receive Leica X accessories valued at 500,- euros, and their pictures will be shown on the Leica Blog. The winners of the 3rd to 10th prizes will each receive a half year subscription to LFI.

If you have questions about the terms and conditions of participation, or about uploading, please contact contest@lfi-online.de.
